QATAR NOTIFICATIONS

Qatar Customs are very thorough with their examinations. All cases will be opened and contents verified against the commercial invoice. Please attach 2 copies of a descriptive/illustrated brochure to the side of the case lid.

Goods intended for temporary import such as vehicles, engines, machines, defense/military items, electrical goods, MUST have a visible engraved serial number and be listed on the invoice.

Audio/Visual Material

Submit a sample of all audio/visual material with details of the film size, length, script summary and type of presentation to your TWI representative for censorship approval.

Radio/Telecommunication Goods

These type of goods require approval. Submit a copy of the invoice including specifications and details to your TWI representative for assistance.

Please submit all of the above applicable information to your TWI representative.

IT IS NOT RECOMMENDED TO HAND CARRY ANY GOODS INTO QATAR
